

# NEW PAYROLL SYSTEM (APRIL 30, 2010) RETIREMENT AND DEFERRED COMPENSATION PLANS

Auditor-Controller  
Announcement  
Issue 3  
January 2010  
Page 1 of 2

## In this Issue:

### Retirement

- Retirement Contribution Service Credit
- Employee Contribution Earnings Amount

### Deferred Compensation Plans

- Employee Contributions

## Frequently Asked Questions

For more details on these issues and other information visit the Employee Portal: <http://payroll.lacounty.gov/faq> or ask your payroll manager.

### What is Changing?

The County will be replacing its payroll system (CWPAY) with the April 30, 2010 payday. With the implementation of the new eHR Payroll System, retirement contributions and service credit will be reported on a semi-monthly basis and the calculations of the employees contributions to deferred compensation plans will be simplified.

### What Do I Need to Know?

#### RETIREMENT CONTRIBUTIONS AND SERVICE CREDIT

Employee contributions will be reported to LACERA as a semi-monthly amount and service credit will be granted in semi-monthly increments, rather than the current practice of reporting monthly.

**Service Credit will be granted in semi-monthly increments.**

There will be no change in employee contributions other than being withheld twice a month.

#### RETIREMENT CONTRIBUTION EARNINGS AMOUNT (RCEA)

The earnings base used to determine your retirement benefits and employee contributions will be calculated as a semi-monthly total and reported to LACERA after each semi-monthly pay day.

#### HORIZONS AND SAVINGS PLANS

As part of the County's overall effort to streamline its payroll practices in 2010, the calculation of employee contributions to Horizons and Savings plan has been simplified.

### Does This Impact My Pay?

#### HORIZONS AND SAVINGS PLAN

Employees will need to increase their contributions percentage in order to maintain the same dollar amount they are currently contributing. (See examples on next page.)

Please note this does not change the calculation of the County's match.

In 2010, the employee contribution calculation will be simplified to use the actual amount of

Cafeteria Plan Taxable Cash in the base used to calculate an employee's contribution. This is a change from the current practice using a variety of methods to determine the portion of the cafeteria plan contribution that is used in the base.

Additional information will be provided by Great West with your 2009 4th Quarter Account Statement/Newsletter.

For more information on the new eHR Payroll System, please visit the LA County Employee Portal at: <http://payroll.lacounty.gov>

## **HORIZONS AND SAVINGS PLAN SIMPLIFICATION EXAMPLE**

### **Calculating An Employee's Horizons' Deduction**

**Example:** A County employee enrolled in the Options cafeteria plan making a 4% contribution to his Horizons plan.

The example illustrates the method used to determine the portion of the Options cafeteria plan contribution that is included in the employee's deduction base. In the new payroll system the amount used to calculate the Horizons and Savings Plan employee contribution will include the actual cafeteria plan taxable cash.

<b>Current Calculation</b>	
Pay Day	May 15
Salary	\$4,940.14
Cafeteria Plan Taxable Cash	
Maximum Taxable Cash - Waiver	
Cafeteria Plan Contribution of \$228 less Admin Fee of \$3.78	\$224.22
Less: Retirement Deduction	-\$419.92
Deduction Base	\$4,744.44
Employee Contribution Rate	4.00%
Employee Horizons Deduction*	<b>\$189.78</b>

<b>New Calculation</b>		
April 30	May 15	Total
\$2,470.07	\$2,470.07	\$4,940.14
\$57.88	\$57.88	\$115.76
-\$209.96	-\$209.96	-\$419.92
\$2,317.99	\$2,317.99	\$4,635.98
4.00%	4.00%	4.00%
\$92.72	\$92.72	<b>\$185.44</b>

Calculated County Match at 4% (Salary X Match Rate)	\$4,940.14
	4.00%
	<b>\$197.60</b>
Match Loss (County Match less Employee Deduction)	(\$7.82)

\$2,470.07	\$2,470.07	\$4,940.14
4.00%	4.00%	4.00%
\$98.80	\$98.80	<b>\$197.60</b>
(\$6.08)	(\$6.08)	(\$12.16)

To avoid loss of County match, in this example the employee must contribute at a minimum rate of 4.3% in order to receive the full County match.

Deduction Base
Employee's Contribution Rate
Employee's Horizons Deduction
County Match at 4% of Salary
No Loss of Match

\$2,317.99	\$2,317.99	\$4,635.98
4.3%	4.3%	4.3%
\$99.67	\$99.67	<b>\$199.34</b>
\$98.80	\$98.80	<b>\$197.60</b>
<b>\$0.00</b>	<b>\$0.00</b>	<b>\$0.00</b>

- \* Based upon this change, the employee may want to adjust the deduction percent in order to continue contributing the same dollar amount. In this example, an increase of 0.3% to employee's deferred plan deduction is necessary to maximize the County contribution.

The calculation of the County contribution for the Savings and Horizons Plans will not change. The County will continue to match dollar for dollar up to 4% of your Deferred Plan Contribution.
